Technical Skills	C,C++, Python, HTML, CSS, Javascript,
Computer Fundamentals	Data Structures and Algorithms, OOPs, Operating Systems Computer Networking

WORK EXPERIENCE:

Role:	Summer Research Intern	[May,2023 to December,2023]
Institution:	NIT Durgapur	
Job Description:	I am currently a summer research intern at NIT Durgapur, working on upgrading a Telemedicine Website for an NGO. My tasks include implementing features like Audio recording, merging doctor's and patient's videos, and enhancing the overall user experience.	

PROJECTS:

TalentCanvas: [HTML, CSS, JavaScript]

Introducing TalentCanvas, a dynamic portfolio website showcasing the remarkable journey of a skilled individual. Explore a comprehensive responsive display of expertise, experience, and academic achievements, providing a glimpse into the unique talents that make me who I am. With a user-friendly interface and easy access to contact information, TalentCanvas is the ideal platform to discover more about my professional profile. Let's connect and explore new possibilities together!

CODING PROFILES:

I have solved 300+ questions collectively solved on [Coding Ninjas](#), [CodeStudios](#), and [LeetCode](#)

EXTRA CURRICULAR ACTIVITIES:

Event Management, Team Work, (club member of IIM-NIT Durgapur Student Chapter)

Marketing, Promotion (Work as a ISP at INTERNSHALA)
